Summary

Detail-oriented IT student blending UI/UX design and frontend development skills to craft responsive, user-friendly products. Strong problem-solving mindset with experience in building both real-world applications and interactive prototypes.

Skills

Languages: Java, Python, HTML, CSS, JavaScript, SQL

Technologies & Tools: Figma, Prototyping, Design Systems, User Flows, Responsive Layouts, React, Git/GitHub

Experience

Frontend Developer Intern – Compozent Technologies

Dec 2024 – Jan 2025

- Developed responsive web pages using HTML, CSS, and JavaScript.
- Collaborated with backend team in an Agile environment.
- Improved frontend usability and performance with optimized layouts.

Research Intern – SLRTCE, Mumbai

Jan 2025

- Conducted UI/UX research on user flows and design efficiency.
- Analyzed usability case studies and documented insights.

Independent UI/UX Designer (Personal Projects)

Feb – Jul 2025

- Designed 5+ responsive landing pages in Figma focusing on hierarchy, color systems, and interactions.
- Built interactive prototypes to demonstrate user flows and product behavior.

Projects

- **E-Commerce Website (React, Internship Project)** Developed a responsive e-commerce platform with product listing, cart management, and dynamic UI components.
- **AI Virtual Assistant – Jarvis (Python)** Built a voice-enabled assistant with search, app control, and reminders using SpeechRecognition and pyttsx3.
- **UI/UX Design Projects (Figma Prototyping)** Designed multiple interactive UIs including: – SoleCraft (e-commerce shoe landing page with ratings CTAs) – SkyVibe (travel booking homepage with destination tiles filters) – MuscleForge (gym website with trainer profiles pricing) – Prime Drink (interactive product UI with real-time flavor switching) Focused on clean hierarchy, responsive layouts, and engaging user flows.

Education

Shree L.R. Tiwari College of Engineering (SLRTCE), Mumbai

Bachelor of Technology in Information Technology

Sep 2023 – May 2027

CGPA: 8.26/10

Additional Information

- **Languages:** English, Hindi, Marathi
- **Certifications:** Web Development (Compozent), Java Programming, Windows Server Administration (2024)
- **Awards:** Best Batsman – Cricket Tournament, Ranked in Top 5% of College
